Drew's Budget Bass Journey

Drew's interest in budget basses began when he was first starting out as a musician. He wanted to find a good bass guitar that he could afford on a beginner's budget, but he didn't want to sacrifice sound quality. After doing some research, he stumbled upon a few affordable bass guitars that had surprisingly good reviews.

Drew's first budget bass was a Squier Affinity Jazz Bass. He was immediately impressed by the bass's sound and playability, especially considering its low price. He played that bass for several years before eventually upgrading to a more expensive model.

Over the years, Drew has continued to find great budget basses. He's become known for his ability to spot a good deal and he's always willing to share his findings with other musicians. He's even been featured in several articles and videos about budget basses.

Drew's Budget Bass Tips

If you're looking for a great budget bass, Drew has a few tips for you:

- **Do your research.** There are a lot of great budget basses out there, but not all of them are created equal. Do some research to find the best bass for your needs and budget.
- **Read reviews.** Once you've found a few basses that you're interested in, read reviews from other musicians. This can give you a good idea of the bass's sound, playability, and build quality.
- **Play the bass before you buy it.** If possible, play the bass before you buy it. This will give you a chance to see how it feels and sounds in person.
- **Don't be afraid to ask for help.** If you're not sure what to look for in a bass, don't be afraid to ask for help from a friend, bandmate, or music store employee.

Some of Drew's Favorite Budget Basses

Over the years, Drew has found a number of great budget basses. Here are a few of his favorites:

- **Squier Affinity Jazz Bass** - This is the bass that Drew started out with and it's still one of his favorites. It's a great all-around bass with a classic sound and feel.
- **Yamaha BB414** - This is another great option for beginners and intermediate players. It's a well-built bass with a versatile sound.
- **Ibanez SR300** - This is a great bass for players who want a more modern sound. It has a sleek design and a fast neck.
- **Sterling by Music Man SUB Ray4** - This is a great bass for players who want a classic StingRay sound without the high price tag.
- **Epiphone Thunderbird IV** - This is a great bass for players who want a vintage sound. It's a heavy bass with a thunderous low end.

If you're looking for a great bass guitar but you're on a budget, don't despair. There are a lot of great options out there. With a little research, you can find a bass that has the sound, feel, and playability you want without breaking the bank.

And if you need any help, don't forget to ask Drew Beisswenger for advice. He's the budget bass extraordinaire and he's always happy to help.
