The S2 is a good choice for riders who want a more powerful motorcycle. The Twin Cam Special is a good choice for riders who want a high-performance motorcycle.

Once you've chosen a model, it's important to inspect the bike carefully before you buy it. Here are a few things to look for:

- **Frame:** The frame should be free of any cracks or damage.
- **Engine:** The engine should be in good condition and free of any leaks.
- **Transmission:** The transmission should shift smoothly and easily.
- **Brakes:** The brakes should be in good working order.
- **Electrical system:** The electrical system should be in good working order.
- **Bodywork:** The bodywork should be in good condition and free of any major dents or scratches.

If you're not comfortable inspecting the bike yourself, you can hire a mechanic to do it for you.

Once you've inspected the bike and you're happy with its condition, it's time to negotiate a fair price. Here are a few tips:

- **Do your research:** Before you start negotiating, do your research and find out what other S1 S2 Twin Cam Specials are selling for. This will give you a good idea of what a fair price is.
- **Be prepared to walk away:** If the seller is asking for too much money, be prepared to walk away. There are plenty of other S1 S2 Twin Cam Specials on the market.
- **Be willing to compromise:** It's unlikely that you'll get the bike for exactly what you want. Be willing to compromise on price and other terms.

With a little patience and negotiation, you should be able to find an S1 S2 Twin Cam Special that you can afford and enjoy.
