Origins and Activities

The Black Caesar Clan emerged in Fort Pierce, Florida, during the early 20th century. Its members were primarily African Americans, drawn together by a shared sense of isolation and discrimination within the Jim Crow South.

Led by the legendary figure known only as "Black Caesar," the clan engaged in a wide range of illicit activities, including bootlegging, gambling,

extortion, and murder. They operated a vast network of speakeasies and protection rackets, exerting a formidable grip over the city's underworld.
