The GEPTV was first published in 1988 by the United Bible Societies (UBS). It is based on the Nestle-Aland Greek New Testament, which is the most widely accepted critical edition of the Greek New Testament. The NIV English translation is one of the most popular and widely used English Bible translations in the world.

## Benefits of Using the GEPTV

The GEPTV offers a number of benefits for biblical scholars and students:

1. **It allows for easy comparison of the Greek and English texts.** This is especially helpful for students who are learning Greek or for scholars who want to compare the two texts closely.
2. **It provides a deeper understanding of the original text.** By comparing the Greek and English texts, readers can gain a better understanding of the meaning and structure of the original text.
3. **It helps to identify textual variants.** The GEPTV includes footnotes that indicate where there are textual variants in the Greek New Testament. This information is helpful for scholars who are interested in textual criticism.
4. **It is a convenient and portable resource.** The GEPTV is a single volume that contains both the Greek and English texts, making it easy to carry and use.

## Using the GEPTV

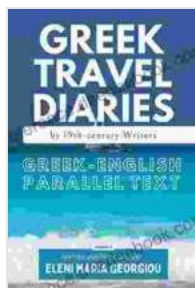

The GEPTV can be used in a variety of ways. Here are a few tips for getting the most out of this resource:

1. **Use the footnotes.** The footnotes in the GEPTV provide valuable information about textual variants and other important details. Be sure to read the footnotes carefully to get the most out of the text.
2. **Compare the Greek and English texts.** Take time to compare the Greek and English texts closely. Pay attention to the differences in

wording and structure. This will help you to gain a deeper understanding of the meaning of the original text.

3. **Use the GEPTV for research.** The GEPTV is a great resource for research. You can use it to find information about textual variants, to compare different English translations, or to study the Greek New Testament in more depth.

The Greek English Parallel Text Volume is a valuable tool for biblical scholars, students, and anyone interested in the study of the Bible. It is a convenient and portable resource that provides a deeper understanding of the original text. By using the GEPTV, you can gain a better understanding of the Bible and its message.
